June/July 2006

Dear Praying Friends,

The Lord blessed the McGeorge family in an unexpected and special way in the month of June. Entering the month we still owed \$5,374.22 on the hospital bill for the birth of our son, Elijah. We are happy to report that the entire debt has been paid, Praise the Lord! Thank you to those who were praying for this financial need. God again and again shows Himself great and more than able to meet any need that we bring to him! GOD IS SO GOOD!

June saw us closer to home than we have been for a while. We were with churches in Indiana, Ohio, Michigan, and Kentucky. It was good to be at home and we were able to go door knocking and soul winning on Saturday mornings with our home church.

July took us to New Hampshire, Maine, Rhode Island, and Connecticut, before coming back home for youth camp at Indian Creek Baptist Camp. Christie and I ran the kitchen for 300 campers and workers doing our best to keep them fed and happy. (Feeding Independent Baptists is not always easy J) We enjoyed ourselves and had fun serving the Lord by serving others! Evangelist Hal Hightower was the camp speaker, and the Lord worked as 6 were saved and many other important decisions were made for the Lord.

After camp we were again in state for a few meetings before getting ready to head out to Pennsylvania, New York, Vermont and Maryland for most of August.

Currently we are at about 17% of our monthly support level, and have heard from a few churches who plan on picking us up for financial support next month. Praise the Lord for those who have become financially and prayerfully involved in helping us take the Gospel to the Republic of Nauru.

On a personal note, our son Elijah continues to grow and at our last checkup he was 20lb 9oz and 27 3/4 inches long...and he is just over 4mths old! He's quite the man child! Some things you could pray with us about:

1. Booking meetings with churches for 2006/2007
2. The Lord's continued safety and blessing during deputation travels
3. Financial support to come in so we can get to Nauru ASAP!

We are excited about what we can accomplish together.

Adam, Christina & Elijah McGeorge
