October/November 2006

Dear Praying Friends,

Have you ever "assayed" to go somewhere and not been able to get to your destination no matter how hard you tried? Paul found himself in that situation in Acts 16:6-8, and we did November 14 while trying to get to Caldwell, Idaho for a meeting. While driving through Wyoming the combination of snow, ice, and jackknifed trucks caused the closing of the interstate! We called the Preacher and he graciously allowed us to head home, and told us to reschedule a meeting when we were back up that way. He also wanted to send us a love offering and will be taking us on for support in January 2007! Praise the Lord for his watch care over us, and changing our schedule as He sees fit!

We were away from home 6 weeks this last trip. We had Missions Conferences and meetings in Texas, Oklahoma, South Carolina, Tennessee, and Arkansas. We were in great churches that had a heart for missions and continued to dig deeper and give more to Missions than they had in the past! What a privilege to be part of God's plan for Worldwide Evangelism! Throughout our travels, we were able to do some soul winning and bus visitation for different churches.

We came back to the Midwest for a Missions Weekend in Ohio, and were home with family for Thanksgiving, with meetings close to home for the rest of November. As the weather got colder we had a bought with sickness (a bug that affected 50% of homes in Indiana and Ohio!), but praise the Lord the sickness struck when our schedule was open. God is good even in the little things!

After 8 months of deputation, we are at 28% of our monthly support level!! Praise the Lord for those who have become financially and prayerfully involved in helping us take the Gospel to the Republic of Nauru.

Some things you could pray with us about:

1. Booking meetings with churches for 2007
2. The Lord's continued safety and blessing during deputation travels
3. Financial support to come in quickly, so we can get to Nauru ASAP!

We are excited about what we can accomplish together.

 Adam, Christina, & Elijah McGeorge
