April/May 2007

Dear Praying Friends,

Have you preached a message and had someone interrupt you after every sentence? I had that very experience recently when our travels took us to French Quebec, Canada and I preached 3 times with an interrupter...well interpreter. Some of the interpreters struggled with my Aussie accent, since they are use to interpreting for American preachers, but the message got across in French as well as English, and God's people responded well to His word.

Praise the Lord we now have our own website up and running, feel free to check us out at www.mcgeorgemissions.info . We would like to offer a big thanks to Chris Jaquess who designed the site for us. He has a link to his web design business on our website if you would like to know more.

We spent most of April and May in the Mid-West, in Missouri, Oklahoma and Texas. We attended the Graduation Preaching meeting at Heartland Baptist Bible College then left for Canada.

The end of May was 14 months of deputation travels and we're at 68% of our financial support!!! We are so thankful the Lord has blessed our efforts and increased our financial support with the churches who are partnering with us to take the Gospel to the Central Pacific.

Some things you could pray with us about:

1. Booking meetings with churches for 2007
2. Adam's Green card renewal to process problem free
3. The Lord's continued safety and blessing during deputation travels
4. Financial support to come in quickly, so we can get to Nauru ASAP!

We are excited about what we can accomplish together.

 Adam, Christina, & Elijah McGeorge
