August/September 2007

Dear Praying Friends,

Have you ever been involved in an accident at 70mph and been able to drive your car another 1500 miles? Well, unfortunately we had the opportunity to do so in September when we were involved in an accident in California. We were not able to put our van into the body shop until a week later in Oklahoma. Central Baptist Church in Ponca City allowed us to borrow a church van for 2 weeks, which saved us renting a van. What a Blessing! Praise the Lord that he kept us safe and free from even minor injuries.

We started out the month of August in Montana for a few meetings before going to Washington to finish out the month. The North West was great to visit and we saw many friends from Bible College busy in the ministry doing everything from teaching Sunday school, song leading, choir directing, youth directing, assistant pastoring, church planting and pastoring. It sure is a blessing to have friends busy in the work of the Lord. September started in Southern California before getting back to Oklahoma for several missions conferences in the mid-west.

After 18 months of deputation, we are at 78% of our financial support!!! We are so thankful the Lord has blessed our efforts and increased our financial support with the churches who are partnering with us to take the Gospel to the Central Pacific.

Some things you could pray with us about:

1. Adam's Green card renewal to process problem free
2. The Lord's continued safety and blessing during deputation travels
3. The Lord to fill our schedule for the Spring of 2008
4. Financial support to come in quickly, so we can get to Nauru ASAP!

We are excited about what we can accomplish together.

Your Missionaries to Nauru,

Adam, Christina, & Elijah McGeorge
