June/July 2008

Dear Praying Friends,

Unfortunately the McGeorge family is still saying a big G'Day from Down Under. It is unfortunate not because we're in Australia enjoying our time with family and friends, but because we're anxious to get to Nauru and get busy in the work that the Lord has called us to do. Our shipping company (the only shipping line that services Nauru ☹) continues to give us the run around in regard to a definite ship date. We had an opportunity to send one of our containers a few weeks ago, but by the time we would have been able to get there in person it would have sat at the port in Nauru for a while with no security, and needless to say that would not have been a good thing! The company has promised both our containers will go on the next ship, which should leave around the 18<sup>th</sup> of August.

Praise the Lord our contacts on Nauru have found a house for us to rent on the south end of the island. From what they have said, it needs some work before we could move in, and if we can get some measurements and details of what may be needed we can pack it into our container before we leave Australia. The owner of the house has been a hard man to get in contact with, please pray that the Lord will work out these details for us.

Some things other you could pray with us about:

1. The Lord to continue to meet our moving needs and expenses
2. The Lord to add to our prayer and financial support as we go to Nauru

We are excited about what we can accomplish together.

Your Missionaries to Nauru,

Adam, Christina, & Elijah McGeorge
